1154 (K)

In G.O. No. 80 Revenue dated 7-1-1914 communicated with B.P. No. 160 Mis. dated 16-1-1914 sanction was accorded for the employment for the Gundiganur tank of a Nirganti on Rs. 5/- per mensem, the then scale of pay, for a period of six months from July to December every year. The Tahsildar of Siruguppa reports that, as the tank received its first supply of water only on 15-8-1939, he entertained the nirganti from that date, and requests that his appointment may be sanctioned for six months from 15-8-1939. The orders referred to above appear to be definite about the period of entertainment i.e, from July to December.

in 1939

The date of entertainment of a nirganti depends upon the supply received in the tank and there will be no necessity for a nirganti when there is no water in the tank. I therefore presume that the spirit of the order is that a nirganti may be entertained for a period not exceeding six months in any period of the year when the tank receives supply, and not necessarily from July to December irrespective of the supply in the tank. I

request

request to be informed if my presumption is correct.

Village Officers - Establishment- (Bellary)- Siruguppa Taluk- Gundiganur village - Temporary nirganti - Period of employment - Alteration.

Ref. B.O.R. Ltr of Board's Ref. 2465/40-1. dated 10.5.40.

In normal years there will be little or no water in the tanks after December and the services of a nirganti are not required after December.

2. But during last year the Gundiganur tank received its full supply on 15-8-39 and when the Tahsildar inspecte it on 16-1-40 it contained 1½ month's supply of water. Hence the Nirganti was allowed to continue even after December for a period not exceedings six months from the date of entertainment. In exceptional cases like this, permission may be accorded to entertain the Nirganti even after December provided the total period does not exceed six months.

C. 2465/40 From the Collector of Bellary, Ref. C. No. 14939/40 A-1 dated. 4.4.1940.

To. A.S. (A.R).

In their order No M.S. 80 Rev. dt. 7.1.1914, the Government have sanctioned the employment of a mirganti on Rs 5/- P.M. for a period of six months from July to December every year for the Gundiganur Tank. The

Collector reports that as the tank received its ~~full~~ supply of water in 1939, only on 15.8.1939, the mirganti was employed from that date. As the services of a mirganti are necessary only during the period when there is water in the tank, the Collector enquired whether the

mirganti may be employed for a period of six months in any period of the year, having regard to the supply of water in the tank. The Collector, ~~him~~, was requested to report whether the maintenance of the mirganti is necessary after December even though there

may be a small quantity of water. ~~If~~

He was requested to state full reasons for it and also how the tanks were managed without a nirgunti after December in past years. The Collector in his reply states that ~~in~~ normally, there will be little or no water in the tank after Dec. and hence the services of a nirgunti after Dec are ~~hitherto~~ not required ~~after Dec~~ and he seeks permission to entertain a nirgunti even after Dec. provided the total period does not exceed six months, in such an exceptional case as this, in which the tank received its full supply only on 15-8-39. Do. the Govt. have sanctioned the employment of a nirgunti from July to Dec. ~~in~~ every year, ~~their sanction needs be sought for the alteration in the period of employment~~. The Collr's request ~~for orders~~ for permission to entertain a nirgunti even after Dec. provided the total period does not exceed 6 months may be supported.
